SASKIA BOELSUMS

Born in the Netherlands, she attended the art academy “Minerva” and graduated in spatial and graphic design.

Since 2013, she has fully focused on photography and achieved great success. Saskia had many nominations and won large number of Prizes. Her art works have been shown in galleries and art fairs in London, Berlin, New York as well as in various private art collections.

” As a Dutch visual artist and photographer, I carry a rich culture heritage. That is why I feel a strong connection to the Dutch tradition of landscape paintings. Proud to be inspired by the old Dutch masters as Ruysdael...

By exploring different landscapes in all four sessions, I feel strongly connected to the universe.”
